	Out Area

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- ¹ A "*" following a place name indicates that the place is coextensive with a MCD. A "°" indicates that the place is also a false MCD; the false MCD name is not shown.
- ² A "*" following a block number indicates that the block number is repeated elsewhere in the block.

The plotted map scale is 1:1000

All legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
